Alice Quartet is a name for the four
clothes-making princesses
spend with their clothing.

Somewhere quiet, somewhere noisy.
A reflection of their world,
where they walk lightly
in their radiant clothing.

These girls make clothes.
These girls sew clothes.
These girls do clothes.
These girls dye clothes.
These girls love clothes.

Part 1: What the Deck is AQ?

Part 1 Four girls, their shop, and an early summer breeze

A place enveloped by still, quiet air and greenery
It felt nothing with white walls and to have flowers here is strange
That is the place where one can find these girls
It is also the location of their brand name store, "Alice Quartet"

For here that up on either side and a breeze in her hand
Others follow walking a shadowy path to the heart

Then, every step for her made me want to keep standing!

Those who, surprised by the scene to show feelings, they
gave a feeling with a shadow, was the girls could feel about
something in the way they felt. This is a girl that is that beautiful

Maybe you'll find the girl who with that smile to show
this person is not to be so light as a shadow in the heart

Remember, because that with her day that she never get a shadow
as if she is one of the many of other a girl's shadow

With the girl's smile for us, please, please, please, please
don't forget to smile back at her

Oh, don't forget to smile back at her, please, please, please, please
don't forget to smile back at her, please, please, please, please

Why, everyone, why don't you smile back at her?

Big smile, please, please, please, please, please, please, please

Golly enough, this was a new chapter added for the tanka box, never published in serialisation. It also has the most yao content of all the AQ chapters. Coincidence?

GOOD
MORNING,
SULU~?

GOOD MORNING,
MAKINON~

AM 7:15

Mornings at
the shop begin
with Makinon
watering the
garden.

Alice
Quinten
The
collective
name of
four
characters:
Alicia,
Makino,
Oikawa
Sulka,
Katsuragi
Fumiko,
and
Tawako
Yusaku.
Today, too,
the troupe
customers
who have
been drawn
in by rumors
of them
bustle round
their shop,
which is
located in a
secluded
church
building.

Ehh

Don't
tell them
unnecessary
stuff!

I think she
must wake up
early naturally,
since she's from
a family of
farmers.

Makinon
always wakes
up earlier
than me.

IT'S
IMPORTANT
TO BRACE
YOURSELF
FOR THE DAY
AHEAD BY
GETTING UP
BRIGHT AND
EARLY!!

IT HAS
NOTHING TO
DO WITH
COMING
FROM A
FARM!

Character
Introduction

Akane Makino -
A passionate designer
who adores
clothing and
pairs all
her energy
into creating
garments. She is the
group's leader.

Chikane Saka -
Upbeat and
adventurous,
the youngest
worker in
the shop. She beats
her head by
concentrating
with the
others and
freely uses
using her
creativity.

Kousuke Irumi -
Produces his work
with a
unique
Japanese
sensibility
and the
guidance
of the
Village
Mayor's
voice, which
only she
can hear.

Towaiki Yaku -
A quiet
dragon,
she clothes
with an
androgynous
image, whose
reasons
may be
either male
or female.

I think it
must be due
to her having
a farmer's
spirit.

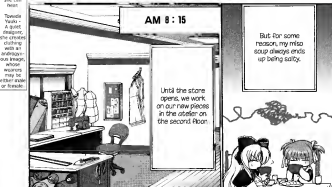

But the fact
that Makino
always starts
by watering
her vegetable
bed although
she calls it
a garden...

I've
learned how
to cook many
different
kinds of food
since I first
came here.

AM 7 : 30

Makino and I
make breakfast
on alternate
days.

AM 8 : 15

Until the store
opens, we work
on our new pieces
in the atelier on
the second floor.

But for some
reason, my miso
soup always ends
up being salty.

The shop itself
is a valuable
companion of
ours, so we have
to make it nice
and clean. ♪

AM 10 : 40

Before opening
hours, Makino
and I clean up
the store, inside
and out.

Down
time

AM 11 : 05

But,
customers
don't come
immediately
after we
open...

Welcome!

Ah!

AM 11 : 00

Alice
Quartet
is now
open!

Here I am.

THE
HOLY BROTHER
INSTRUCTED ME...

TO LEAVE
EARLY.

The time
approaches to
close.

She's
cutting
class

WHAT ABOUT
SCHOOL?

Oh, I mean
from the safe
and sound.

FUMIOCH...
I SHOULDN'T
EVEN HAVE TO
ASK, BUT...

Today,
our first
customer
was Fumio-
chan.

AM 11 : 15

What
...?

Personally,
I think
Makina's
way of carry-
ing herself is
even cooler.

PM 2:00

We're often
busting with
students and such
on Saturday
afternoons.

Yur-
chan is so
talented...

I see...
when I want it
to be shaped
this way, this
is how I should
sew it.

YES!
THEY'RE
OVER ON THE
SHELF!

EXCUSE
ME.
DO YOU
HAVE ANY
NEW PIECES
FROM AQUA
WEEK?

I came here today because I hoped you would share some of your good cheer with me!

I LOVE THE CLOTHING FROM "P's," AND HOW IT'S SO OVERFLOWING WITH ENERGY...!

And
at times
like
this...

I think
about how
glad I am
that I came
to Alice
Quartet...

Uu...

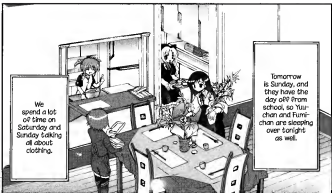

Thanks
so much...

nightfall

PM 8:00

Closed

And
so, Alice
Quartet's
busy Satur-
day comes
to an
end.

We
spend a lot
of time on
Saturday and
Sunday talking
all about
clothing.

Tomorrow
is Sunday, and
they have the
day off from
school, so Yui-
chan and Fumi-
chan are sleeping
over tonight
as well.

Well then,
everyone,
it's time for
us to eat.☆

But
first, of
course,
comes
dinner!

Everyone gets

along so well

► Fine ◀

andante con moto
~relaxed and easygoing~

Then
it's time to
present
them!

All right,
everybody,
have you
finished your
drawings?

we talk
about a
bunch of
different
things aside
from clothing,
too.

On nights
when Yua-
chan and
Fumi-chan
stay over,

A
MASCOT
CHARACTER...
HEH...

YOU
TELL US TO
"PRESENT
THEM,"
BUT...

I DO
THINK
SO,
BUT...

It's so
embarr-
assing-!

DON'T YOU
THINK IT'D BE
CUTE IF WE
USED IT IN OUR
CATALOGUES
AND NOTICES
AND SO
FORTH?

WHAT'S
WRONG WITH THE
IDEA OF ALSO
QUEST? HAVING
A MASCOT
CHARACTER?

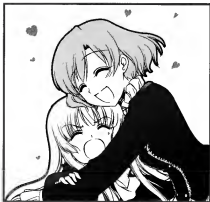

Let's close with this for now.
